

FROM THE CHESOPEIAN COLONY CIVIC LEAGUE PRESIDENT - JUNE 25, 1997

Hello there -

1. Don't forget the 4th of July parade and picnic. This year the parade grand marshal will be Dot Francis who has lived in the colony longer than any of us. She will be in the lead vehicle driven by Dr. Paul Berger (who is also in charge of balloons).

As usual we will need a ton of volunteers - some to help get the parade organized, but most to serve food, help with the games, etc. at the picnic. Call Floyd Evans at 340-xxxx to volunteer your services.

Right now, special thanks go to Shelly Gram for taking care of the parade details and to Floyd Evans for organizing the picnic end.

The picnic is a great time to get together and meet fellow residents of the Colony.

2. I have a slightly chewed-up key for a Ford vehicle found at Kings and Chesopeian Trail. If it is yours, give me a call.

3. Hurricane season is here. Storm flood hazard information on your property can be obtained by contacting the Department of Public Works, City Engineer's Office Drafting Room at 427-4131.

4. The Waste Management Division of Virginia Beach has backyard composters for sale to residents. Cost - \$34. For info call - 430-2450.

5. Adult party - Some years ago the adult residents of the Colony got together in late summer or early fall and had a party. Several residents have suggested that we do it again this year. Only problem - I need a volunteer to get it organized. If anyone is interested, please give me a call.

6. The new Colony directory is being put together. Remember that it only goes to residents who have paid their Civic League dues of \$25. Contact El Steeg at 486- xxxx.

7. I have contacted Bell Atlantic about their excavation at the entrance to the Colony. Everything should be cleaned up by June 23rd.

8. As I walk around the Colony I see only a few yards that are beginning to look a bit unsightly. As you know we must keep our property up to maintain its value and that of our neighbors. It takes all of us working together to keep the Colony as a most desirable place to live

and enjoy with our families. Parking cars on your lawn is not appreciated by your neighbors. Campers and boat trailers should be parked in your back yard. If we all try to adhere to the aforementioned, our neighborhood will be able to maintain its uncluttered and park like beauty. Let's all pull together on this one.

9. Curfew for minors - It is **unlawful** for anyone under the age of 18 to be out and about after 11:00 P.M. unless accompanied by a parent or legal guardian.
10. Have a great summer. Thanks for your support. Any questions call me at 631- xxxx.

Rolly Doan, President CCCL

LATE BREAKING NEWS ITEM:

The Foundry Methodist Church made an offer to buy the lot opposite the entrance. Their offer has been accepted with certain stipulations; these stipulations are now being reviewed. It is not expected, however, that they will cause any problems. The church will now own the land that we fought so hard to protect from an undesirable use! What a fortunate turn of events! I think it behooves all of us, if requested, to make a donation to the church to assist them in the purchase since all of us will benefit from this.
