I. The last meeting of the Chesapeake Colony Civic League was held at the Foundry Methodist Church at 7:30 P.M. on Thursday June 11, 1998.

II. Today I look back upon a very successful 4th of July parade/picnic. A flyer advertising the event was mailed with the last newsletter to remind residents of the event, and of course to ask for volunteers. Although there were not a large number of volunteers, many thanks are due to the hard workers who offered up their time to make it such a successful event. Please join me in saying thanks to this year's crew of very hard workers:

Parade Coordination:	Georgie & Rolly Doan Glenda Tyler George Coleman
Balloons for parade:	Paul Berger Doug Tyler
Grand Marshall of parade:	Margaret McCune
Driver for Grand Marshall:	Paul Berger
Parade Banner Carriers:	Heather Reich & Jordon Hatton*

* Sorry, I called Heather, but could not get a confirmation on Jordon's last name.

III. You see many of these names in more than one group above, and I heartily thank them for being there whenever it seemed there was no one else to do the job. I hope you had a great time at the event. If you did, I hope you might offer to help next year. The primary object of this newsletter is to express thanks to all those who helped/participated in the event.

IV. Attached please find the latest Neighborhood Watch Program Block Captain list. Please keep it handy in case something happens that should be reported to the police and your Block Captain. Keeping your Block Captain aware of security problems will help to make it a safer neighborhood for all of us. Many thanks to the Block Captains and to Bob Munsey and Diane Brassil, the Zone Chairpersons, who worked hard to stay informed on the program and occurrences in the Colony.

V. I am pleased to announce the selection of the yard of the month. This month's winners are Florence and Harvey Mann at 2601 Sandy Valley Road. Congratulations on your beautiful yard.

VI. One last item is leftover supplies from the picnic. We will keep items like plates, forks, napkins and garbage bags till next year's picnic. However, two items would be best sold now. If you would like to buy some of the thirteen 2-liter jugs of Pepsi/Coke drinks @ \$.50 each or one of the 30-can packs of Budweiser @ \$10, please contact me at XXX-XXXX. We would rather sell them at a reduced price than save the items till next year.

VII. I hope you are enjoying a great summer. I will give you the minutes of the last meeting and announce the next meeting in the next newsletter. The last 2 months have been a busy time for me.

Carol Taylor, President
