I. The nominating committee has come up with a new slate of officers to present at our next meeting. The nominating committee consisted of Rolly Doan, Tom Duckett, Liz Carlson, Bob Munsey and Ann Finch.

II. The slate consists of the following members of the Civic League:

President	Rolly Doan
Vice President	Mike Prendergast
Secretary	Mary Kay Berger
Treasurer	Wayne Woolwine
Board of Directors	Tom McLaughlin
Board of Directors	Neal English

III. The election of officers will be conducted at the next Civic League meeting scheduled for Thursday, 11 February 1999 at Foundry Methodist Church. We hope to see a big turnout for this meeting. This is your chance to voice your support/criticism of how the Civic League is being run. It is a great chance for new residents to meet their new neighbors and get involved in the community's concerns and projects.

IV. We want to know what you want on the agenda for future meetings, so please come prepared with some good ideas. What are your concerns for the community, what ideas

do you have for improvements and how do you think you can help to carry out these initiatives?

V. Please ask to have the list updated if you would like to either be on the following list or taken off the list.

VI. I would like to congratulate the Delfaus household for their selection as having the best outdoor holiday decorations. As usual there were many beautifully decorated homes and yards which makes it hard to choose. I hope you got a chance to walk or drive around the neighborhood to enjoy the decorations, and I hope you all enjoyed the holiday season.

VII. Maria Donnells sent me a nice letter before Christmas telling me how much she appreciated the many kind members of the community who offered their condolences and many acts of kindness after the death of her husband, Scott, last year. That spirit of community, she calls them the Colony Elves, is one of the many things that make this a wonderful place to live. She was telling me how nice it was for Bob Munsey to suggest at a civic league meeting last fall that we, as Colony residents, be considerate of widows or ailing neighbors and stop by to check on them occasionally.

VIII. Thank you all so much for the opportunity to serve as your president this past year and as your secretary the year before. It has indeed been a pleasure. And thank all of you who have offered to help in any way.

IX. Special thanks go to El Steeg who has served as treasurer of the civic league for many years. El recently suffered a stroke from which he is now recovering. Hopefully you will all keep him in your prayers as he continues his recovery. He will be missed on the Board of Directors where his meticulous financial record keeping and sage advice were always appreciated.

Carol Taylor, President
