TO THE CONTRIBUTORS OF THE ENTRANCE PURCHASE

The Officers, Board of Directors and Entrance Committee would like to thank you for your generous support. We commend you for your contribution towards a project of such lasting significance.

The Entrance purchase is not only an asset to all the residents of the Colony; it is also an example of the foresight and determination of private citizens to retain a quality environment. We hope others will benefit from the outcome of this successful project. Needless to say, it will inspire Colony residents in future efforts.

We would like you to have the following information for your files:

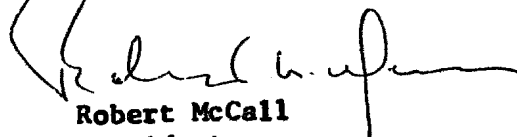

- I. Civic League Incorporation: October 28, 1977; prior to purchase.
- II. Insurance Costs: \$63 per year; February 1, 1978 - February 1, 1979.

- IV. Landscape Maintenance: \$65 per month. Landscape Spraying: \$11 per month, March through October. VEPCO: Average \$5-\$18.
- V. Enclosed is a copy of the deed.

Again, thank you for having shared in this community effort. We sincerely appreciate what you have done.
